138 patients registered on 1st March 2010

East Lancashire Registers 1000th BADBIR Patient!

Many thanks to **Sharon Credland** at Burnley General Hospital who recently registered the **1000th** participant in the BAD Biologic Interventions Register. We are always looking to gain more participants on the Register so if there is anything we can do to aid this, please get in touch.

We hope to have 2010 new patients registered during 2010!

Please help to achieve this by trying to register at least 5 biologic or conventional patients per month

Getting Started with BADBIR

There are now over 20 fully approved centres who are yet to recruit a patient to BADBIR.

If there is help or assistance we could provide to get you up and running with Registering patients then please phone us on **0161 306 1896**

We'll be happy to answer any queries you may have

Centre of the Month

Congratulations to all at the **Western Infirmary in Glasgow** who were the highest recruiters to the Register in February.

01/08/09 - 31/01/10 Payment

The payments owed for all data entered in the 6 months up to 31st January are currently being processed.

This should be completed very soon and with invoices being requested within the next 2 weeks.

Please do not send us an invoice until advised to do so as it may not be paid

New Recruiter

Thanks to the **North Durham University Hospital** who registered their first patient this month

This month we say welcome to the following NHS sites that have recently joined BADBIR:

- Belfast Health and Social Care Trust
- Northern Health and Social Care Trust
- West Middlesex University Hospital NHS Trust
- County Durham and Darlington NHS Foundation Trust
- University Hospitals of Leicester NHS Trust
- Poole Hospital NHS Foundation Trust
- Southern Health and Social Care Trust
- East Kent Hospitals University NHS Foundation Trust
