BRITISH ASSOCIATION OF DERMATOLOGISTS BIOLOGIC INTERVENTIONS REGISTER

**BADBIR
March 2011**

Welcome to the March 2011 edition of the BADBIR newsletter.

Database News

Work on the database continues and centres will be informed once the database is ready to go live.

Funding

BADBIR offer finance to dermatology departments for participating in BADBIR. Funds may be used at the discretion of the principal investigator to support BADBIR related activities. Some dermatology departments have used the funds to enable nurses to attend courses or conferences. This may have the benefit of improving staff morale and education. This may also act as an incentive to recruit to patients BADBIR. If you would like more information on how you could access these funds please contact the office at badbir@manchester.ac.uk
