BADBIR September 2011

Welcome to the September 2011 edition of the BADBIR newsletter.

Site Files

Is your site file up to date?
It is the responsibility of each centre to keep their site file fully up to date. In addition to the complete documentation there is also a requirement to store all original consent forms and CVs for all research team members. Please contact the BADBIR office if you need any clarification on the specific items your file should contain. More information can be found here: www.badbir.org/sitefile.aspx

Publications Group

Publications arising from the BADBIR study will be written by "Banner authors" on behalf of the BADBIR "Study Group". Investigators who have made important contributions to BADBIR and are keen to be involved are encouraged to apply. Applications will be reviewed by the BADBIR research and steering committees.

New Centres

We welcome the following new centres this month: Cannock Chase Hospital and Royal Berkshire Hospital.

Recruiter of the Month

Highest Biologic Recruiter

Congratulations to **Bradford Teaching Hospitals NHS Foundation Trust** for being the highest overall recruiter and highest biologics for September.
