Biologic Interventions Register

## BADBIR Newsletter June 2012

Congratulations to the team at **University Hospital of North Durham** who were the highest overall recruiter and the highest conventional cohort recruiter during May 2012. Thanks also to the **Royal Free Hospital** who registered the most patients in the biologic cohort.

Anne Thomson and  
Dr. Maneesha Vatve

### Uses of the BADBIR Study Payments

We would be interested to hear from all centres on how their income from the BADBIR study is being used. Some examples we have been informed of so far include:

- Part funding of nurse time
- Funding attendance on training courses and conferences
- Employing secretarial help for data entry

The money raised through recruitment and follow-up on BADBIR can accumulate quickly and is intended to be used on activities related to the BADBIR study. We would be grateful if any information on how the income is used at your hospital could be sent to [badbir@manchester.ac.uk](mailto:badbir@manchester.ac.uk). If you have any queries on the BADBIR income then please get in touch.

### BADBIR 100 CLUB

In addition to being May's top recruiter **Durham** also became the 11th member of the BADBIR 100 Club by registering their 100<sup>th</sup> patient.

### BAD Annual Meeting

As part of the BAD Annual Meeting in Birmingham each of the regional clinical research associates will be present on **stand number 66** for a day session each. If you would like to speak to your CRA regarding any aspect of BADBIR then please refer to the timetable below:

Day	CRA
Tuesday 3 <sup>rd</sup> July	Danielle Platt (North West) / Sarah Langley (South East)
Wednesday 4 <sup>th</sup> July	Lucy McCahon (South West)
Thursday 5 <sup>th</sup> July	Shamila Irshad (Midlands & North East) / Lisa Charlesworth (Eastern Region)

### 3000th Biologic Patient

During the last month BADBIR has reached the landmark of the **3000th** patient registered into the **biologic cohort**. This was entered on to the database by the team at the **Brighton General Hospital**. Thanks to all centres who have recruited patients to contribute to this total.

### Consenting of Patients

We would ask that the consent form signatures for the patient **and** the person taking consent **have the same date**. If a patient has initialled and signed the form prior to coming into clinic then we would ask for this to be redone with a new consent form being completed to allow the two dates to be identical.

### New Recruiters

This month we welcome **2 new centres** to BADBIR who have recently recruited their first participant on to the Register:

- Royal Shrewsbury Hospital
- Luton and Dunstable Hospital
