

BIR

Biologic Interventions Register

BADBIR Newsletter February 2014

Thanks to the team at **Royal Liverpool and Broadgreen University Hospitals NHS Trust** (pictured right) who recruited the most patients to BADBIR in January along with **Belfast Health & Social Care Trust**

(l to r) Bernie Dever and Gemma Hoey

Medical Problems Patient Questionnaire

Please discuss the responses on the medical problems questionnaire with the patient and ensure that these are appropriately reflected on the **Adverse Event** and **Concomitant Therapy** page.

If there is a discrepancy please explain in the **Feedback / Comments** section e.g. *patient ticked admitted to hospital but after discussion it was found not to be an overnight stay, the patient visited A&E with chest pains, this has been added as an adverse event.*

Medical Problems:

- How many times have you been ADMITTED to hospital in the since your last dermatology clinic visit? (Please tick one box)

None	<input type="checkbox"/>
One	<input type="checkbox"/>
Two	<input type="checkbox"/>
More than two	<input type="checkbox"/>

UV Therapy

Please could all centres provide the patients' **Fitzpatrick Skin Type** and as much information as possible on previous/current exposure to **UV therapy**. This information is vital in evaluating one of the important study outcomes—**skin cancer risk**
