BIR

Biologic Interventions Register

BADBIR Newsletter January 2014

Belfast Health and Social Care recruited the highest number of patients to BADBIR in December and were also the top recruiters to the conventional cohort.

Guys & St Thomas NHS Trust recruited the highest number of biologic patients.

(l to r) Margaret Murray, Paula Salmon, Dr Kevin McKenna, Lorna McCarroll and Lorraine Gribben

Thank you

to all centres involved for their efforts to recruit participants over the last 12 months.

BADBIR Trophies

BADBIR trophies are on their way to: **St Vincent's Dublin** for recruiting the **8000th** patient onto the BADBIR database

West Middlesex University NHS Trust for recruiting the **5000th** biologic patient onto the BADBIR database

Belfast Health and Social Care for being the **Highest BADBIR recruiter in 2013**

New Recruiters

Welcome to The **Royal Wolverhampton Hospitals NHS Trust** who are new recruiters to BADBIR and have recruited their 6th patient in January.

Patient Eligibility

If a patient does not meet the eligibility criteria the centre will be contacted by the BADBIR team and given 21 days to provide further details to confirm the patients Eligibility. If this information is not received the patient will be removed from the BADBIR database.

New 100 Club Members

Congratulations to **NHS Grampian** who are the latest members of the BADBIR 100 club.

(l to r) Linda Lawson, Prof. Anthony Ormerod, Fiona Craig and Vicki Taylor

The BADBIR database

Current Therapy

Is the patient currently receiving any systemic therapies?

Yes

No

Please ensure 'yes' or 'no' is selected during data entry and click the 'update' button. Failure to do so will create **data queries**!

Additional icons will soon be added to the 'view all patients' list. This will make it easier for you to identify which patients still require a consent form to be sent to the BADBIR office.
