New Centres Recruiting

AS we celebrate some of our centres recording high numbers of recruits we are also celebrating those recruiting their very first patients! Both Sheffield **Children's Hospital** and **West Suffolk** have joined the BADBIR team and now have recruited their very first patient.

Incredible Recruiting!

CONGRATULATIONS goes out to Dr Mark Goodfiled's team at Leeds Teaching Hospitals as they top the patient recruitment table this year by some lead! A special thanks goes out to Eileen O'Grady who has been vigorously working to put all recruited participants onto the database.

14,000th Registration!

WE'VE reached a new milestone this year as our 14,000th registration was added by **Guys & St Thomas'** Maria Troy. As BADBIR is turning ten this year it is great to see that we are still expanding and gaining more participants to contribute to the Register.

BADBIR 100 Club

THE BADBIR 100 Club welcomes 11 new members as the trusts listed below have now recruited over 100 patients. A special **BADBIR bear** is on its way!

We recently wrote to all centres participating in BADBIR requesting a copy of your current delegation log. This was so we could compile a new electronic log which will replace the paper version from your site file and be available via the BADBIR database. This also means there is a revised process for registering for any new researcher team members requesting access to BADBIR.

[Action Required: Check Details on Your Centre's Delegation Log](#)

The electronic BADBIR delegation log is now live and can be accessed on the BADBIR database. Once logged in, please follow the link to 'Electronic Delegation Log' at the bottom of the page.

The information on the electronic log has come from a copy of your centre's paper log. This was a process of data entry therefore we request that all centres **check their delegation log** to ensure that all entries are correct. Please pay particular attention to:

- End dates for any staff no longer working on BADBIR.
- That the names of all current researchers at your centre are included
- Spelling of names

If any changes are required, please inform the BADBIR office (badbir@manchester.ac.uk / 0161 306 1908)

[Registering For New Accounts](#)

The process for new users applying for access to BADBIR has also changed. A Team Addition Form is no longer required. Once a CV has been sent to the BADBIR office, new users can register for an account online. Their centre's Principal Investigator will then be prompted to provide approval with no further paperwork required. Please visit the BADBIR website for more information:

<http://www.badbir.org/Database/Register/>

[Guidance for Principal Investigators: How to Approve New Team Members](#)

If you are a Principal Investigator for your centre, you will now be required to log in to the BADBIR database to electronically authorise a request from a new Research Team Member. The steps below should be followed in order to do this:

Step 1

An email will be sent to you with details of the researcher requesting access. This is a prompt to [log in to the database](#).

Step 2

Once logged in to the database, follow the on-screen link to **Electronic Delegation Log**. This is the last link at the bottom of the page.

Step 3

Look for the entries marked **Awaiting Approval by PI**, as shown in the screenshot below.

Click **Edit** to view and amend details of the new researcher's access request. Check that the delegation details (e.g. obtaining consent, performing clinical observations) are appropriate. To approve the user, use the **Access Status** drop-down menu to select **Access Approved by PI** and click **Update**.
